About the Event:

Are you aware of your healthcare and medical coverage options in Hong Kong? While Hong Kong is one of the most efficient healthcare systems in the world, it is also among the most expensive. Learn about your medical options and solutions in Hong Kong and about the hospitals, clinics, health professionals and insurance policies that correspond best to your needs and preferences.

In this informative seminar, Amelie Dionne-Charest will share practical information and tips on the following subjects:

- What are the differences between the public and private healthcare sectors?
- What are your options when facing a medical issue or emergency?
- What type of medical coverage do you need in Hong Kong?
- How to understand and 'decode' medical insurance policies?

Target audience:

Gain key insights on these topics regardless of your employment status: expatriate contract, local or local plus contract, entrepreneur, freelancer, etc.

About the Speaker:

Amelie Dionne-Charest is the Co-founder and Managing Director of AD MediLink, which provides Medical Concierge Services to businesses and expatriates living in Hong Kong and Europe.

She is a lawyer specialized in medical law and bioethics. Before moving to Hong Kong, she practiced law in Montreal for a Pan-Canadian law firm and subsequently worked in New York in the healthcare industry.

Amelie Dionne-Charest is a member of the Quebec Bar. She graduated from the Faculty of Law at McGill University, and holds a Master of Arts in Medical Law and Medical Ethics from the University of King's College, London.

Bilingual in French and English, she has lived in 5 countries and is passionate about healthcare issues.
